INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Digital Green Foundation and Digital Green Trust
Berkeley, California

We have audited the accompanying combined financial statements of the Digital Green Foundation and Digital Green Trust (collectively, the Organization), which comprise the combined statements of financial position as of March 31, 2018 and 2017, and the related combined statements of activities and changes in net assets and combined cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audit. We did not audit the financial activity of the Digital Green Trust, which statements reflect total assets constituting 14% and 8% of the combined total assets as of March 31, 2018 and 2017 and total revenues constituting 5% and 6% of the combined total revenues for years ended March 31, 2018 and 2017. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Digital Green Trust, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

MEMBER OF CPAMERICA INTERNATIONAL, AN AFFILIATE OF HORWATH INTERNATIONAL
MEMBER OF THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS' PRIVATE COMPANIES PRACTICE SECTION

Opinion

In our opinion, based on our audit and the report of other auditors, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of the Organization as of March 31, 2018 and 2017, and the combined changes in their net assets and their combined cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 10, 2019 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

A handwritten signature in cursive script that reads "Gelman Rosenberg & Friedman".

DIGITAL GREEN FOUNDATION AND DIGITAL GREEN TRUST

NOTES TO COMBINED FINANCIAL STATEMENTS MARCH 31, 2018 AND 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

The Digital Green Foundation (the Foundation) was incorporated in March 2008 as a non-profit public benefit corporation in California. The Digital Green Trust (the Trust) was incorporated in 2008 and is exempt from paying taxes in the country of India. Based on their affiliation agreement, the Foundation has significant control over the Trust and the Trust must operate itself to align with the Foundation's mission.

Digital Green is a global development organization that empowers smallholder farmers to lift themselves out of poverty by harnessing the collective power of technology and grassroots-level partnerships. Digital Green has joined forces with governments, private agencies and, most importantly, rural communities themselves to co-create scalable and cost-effective technologies that enable rural communities to access and share information with each other. Digital Green initially focused on producing and screening locally relevant videos, which allowed farmers to share their knowledge with other farmers. Digital Green has added a number of video and mobile technologies to enable farmers to boost the value they realize from their harvests in a nutrition-sensitive, climate-resilient and inclusive manner.

Basis of presentation -

The accompanying combined financial statements are presented on the accrual basis of accounting, and in accordance with FASB ASC 958-810, *Not-for-Profit Entities Consolidation*.

Based upon the fact that management exerts common control, both financially and programmatically over both entities, the financial statements of the Digital Green Foundation and Digital Green Trust (collectively, the Organization) have been combined. Accordingly, all significant transactions between the two entities have been eliminated in combination.

Cash and cash equivalents -

The Organization considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Included in cash and cash equivalents is cash held in India and Ethiopia in the amounts of \$1,300,967 and \$1,754,558 at March 31, 2018 and 2017, respectively, which is uninsured. Management believes the risk in this situation is minimal.

Bank deposit accounts in the U.S. are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, the Organization may maintain cash balances in excess of FDIC limits. Management believes the risk in these situations is also minimal.

Grants receivable -

Grants receivable at March 31, 2018 and 2017 approximate fair value. As of March 31, 2018 and 2017, management has evaluated all grants receivable and deemed them to be fully collectible. Accordingly, there is no allowance for doubtful accounts at March 31, 2018 and 2017.

Property and equipment -

Property and equipment are stated at cost and are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to ten years.

DIGITAL GREEN FOUNDATION AND DIGITAL GREEN TRUST

NOTES TO COMBINED FINANCIAL STATEMENTS MARCH 31, 2018 AND 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Income taxes -

The Foundation is exempt from U.S. income taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation is not a private foundation. The Foundation is required to file Internal Revenue Service (IRS) Form 990, *Return of Organization Exempt from Income Tax*, and the returns are subject to examination by the IRS, generally for three years after the date the return has been filed. During the year ended March 31, 2018, the Organizations did have unrelated business income. Accordingly, the Organizations did make the appropriate tax payment.

The Trust has been granted exemption from income taxes by the Revenue Authority in India. The Trust has been classified as a non-governmental organization under Indian Law.

Based upon the non-profit status of each entity, there is no provision for income taxes in the accompanying combined financial statements.

Uncertain tax positions -

For the tax years ended March 31, 2018 and 2017, management of the Foundation and the Trust have documented their consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and they have determined that no material uncertain tax positions with respect to either entity qualify for either recognition or disclosure in the combined financial statements.

Net asset classification -

The net assets are reported in two self-balancing groups as follows:

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of the Organization and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Combined Statements of Activities and Changes in Net Assets as net assets released from restrictions.

Grants and contributions -

Unrestricted and temporarily restricted grants and contributions are recorded as revenue in the year notification is received from the donor. Temporarily restricted grants and contributions are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as temporarily restricted net assets in the accompanying combined financial statements.

The Organization receives funding under contracts from international organizations and other grantors for direct and indirect program costs. This funding is subject to contractual restrictions, which must be met through incurring qualifying expenses for particular programs. Accordingly, such grants are considered exchange transactions and are recorded as unrestricted income to the extent that related expenses are incurred in compliance with the criteria stipulated in the grant agreements.

DIGITAL GREEN FOUNDATION AND DIGITAL GREEN TRUST

NOTES TO COMBINED FINANCIAL STATEMENTS MARCH 31, 2018 AND 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Grants and contributions (continued) -

Grants and support receivable represents amounts due from funding organizations for reimbursable expenses incurred in accordance with the grant agreements. Grant funding received in advance of incurring the related expenses is recorded as a refundable advance.

In-kind contributions -

In-kind contributions consist of donated advertising. In-kind contributions are recorded at their fair market value as of the date of the gift. During the years ended March 31, 2018 and 2017, they received \$418,648 and \$479,247, respectively, in donated advertising.

Use of estimates -

The preparation of the combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the combined financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Combined Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Functional currency -

The accompanying combined financial statements are denominated in U.S. Dollars. The assets and liabilities of the Trust and Digital Green Foundation - India have been converted from Indian Rupee to the U.S. Dollar using the spot rate at March 31, 2018 (\$1.00 equals 64.81 Rupee). At March 31, 2017, the spot rate used was \$1.00 equals 64.75 Rupee. The revenue and expenses of the Trust and Digital Green Foundation - India for the year ended March 31, 2018 have been converted from the Indian Rupee to the U.S. Dollar using a weighted average rate of \$1.00 equals 64.49 Rupee. The revenue and expenses of the Trust for the year ended March 31, 2017 have been converted from the Indian Rupee to the U.S. Dollar using a weighted average rate of \$1.00 equals 66.11 Rupee.

New accounting pronouncements (not yet adopted) -

In August 2016, the FASB issued ASU 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958), intended to improve financial reporting for not-for-profit entities. The ASU will reduce the current three classes of net assets into two: with and without donor restrictions. The change in each of the classes of net assets must be reported on the Combined Statements of Activities and Changes in Net Assets. The ASU also requires various enhanced disclosures around topics such as board designations, liquidity, functional classification of expenses, investment expenses, donor restrictions, and underwater endowments. The ASU is effective for years beginning after December 15, 2017. Early adoption is permitted. The ASU should be applied on a retrospective basis in the year the ASU is first applied. While the ASU will change the presentation of the Organization's combined financial statements, it is not expected to alter the Organization's reported financial position.

DIGITAL GREEN FOUNDATION AND DIGITAL GREEN TRUST

**NOTES TO COMBINED FINANCIAL STATEMENTS
MARCH 31, 2018 AND 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

New accounting pronouncements (not yet adopted) (continued) -

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The ASU establishes a comprehensive revenue recognition standard for virtually all industries under generally accepted accounting principles in the United States (U.S. GAAP) including those that previously followed industry-specific guidance. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB issued ASU 2015-14 in August 2015 that deferred the effective date of ASU 2014-09 by a year thus the effective date is fiscal years beginning after December 15, 2018. Early adoption is permitted. The Organization has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on the combined financial statements.

In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the Combined Statements of Financial Position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2019. Early adoption is permitted. The ASU should be applied at the beginning of the earliest period presented using a modified retrospective approach.

The Organization plans to adopt the new ASUs at the required implementation date.

Reclassification -

Certain amounts in the prior year's combined financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on the previously reported changes in net assets.

2. GRANTS RECEIVABLE

Grants receivable represent unconditional promises to give from various donors. Amounts due more than one year from the Combined Statements of Financial Position date of March 31, 2018 and 2017, have been recorded at the present value of their estimated cash flows using a discount rate of 3.25%.

Following is a summary of when donor payments are to be received as of March 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Within one year	\$ 2,185,318	\$ 10,475,291
Two to five years	<u>-</u>	<u>-</u>
Subtotal	<u>2,185,318</u>	<u>10,475,291</u>
GRANTS RECEIVABLE, NET	<u>\$ 2,185,318</u>	<u>\$ 10,475,291</u>

DIGITAL GREEN FOUNDATION AND DIGITAL GREEN TRUST

**NOTES TO COMBINED FINANCIAL STATEMENTS
MARCH 31, 2018 AND 2017**

3. CONTINGENCY

Digital Green Foundation receives grants from various agencies of the United States Government. These grants are subject to audit under the provisions of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*.

The ultimate determination of amounts received under the United States Government grants is based upon the allowance of costs reported to and accepted by the United States Government as a result of the audits. Audits in accordance with the applicable provisions have been completed for all required fiscal years through 2018. Until such audits have been accepted by the United States Government, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

4. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at March 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Community Videos for Agricultural Extension	\$ 6,452,146	\$ 11,326,363
Community Videos for Nutrition Education	576,852	985,190
Digital Training for Frontline Workers	179,210	277,525
Mobile Service for Farmer Market Access	163,523	133,431
General Operations	<u>-</u>	<u>125,164</u>
TOTAL TEMPORARILY RESTRICTED NET ASSETS	<u>\$ 7,371,731</u>	<u>\$ 12,847,673</u>

The following temporarily restricted net assets were released from donor restrictions by incurring expenses which satisfied the restricted purposes specified by the donors:

	<u>2018</u>	<u>2017</u>
Community Videos for Agricultural Extension	\$ 5,208,696	\$ 3,533,501
Community Videos for Nutrition Education	302,773	118,369
